

Carsharing: a car at any moment

THE STAYY

As a tenant of The Stayy, you can have an electric car available to you whenever you need it. You can reserve the car 24/7 using the Driessen Carsharing app. Optimally sustainable, cost-effective and efficient.

The cars are parked at the door in the car park of The Stayy. Simply unlock with the digital key in the app and just drive!

Efficient & Sustainable
Cost-saving through more efficient use of vehicles.

Flexible mobility
Quick and independent access to the vehicles with the automated reservation system.

Available 24/7
24/7 access to vehicles, without needing to think about opening hours.

Less administration
No declarations, just automatic kilometre registration.

Private lease: a car for 3 months or more

THE STAYY

Private Lease is an ideal way to drive a new or late model used car without having to pay for the whole vehicle at once. Residents of The Stayy can lease a car for as short as 3 months. This is available without a deposit, major investment or other unexpected costs. With a Private Lease subscription, all costs are included. You only pay the monthly fee and the fuel.

Carefree mobility. That is Driessen Private Lease.
Carefree driving starts here

Carefree driving

All costs are included, you only have to pay for the fuel and subscription fee. That gives you certainty.

Flexible mobility

Rates are based on a minimum contract period of 3 months, which can then be cancelled with a month's notice.

Clear conditions

10,000 km included each year. Additional kilometres are charged pro rata.

- ✓ Fair terms and conditions
- ✓ Complete product
- ✓ 14 days reflection period
- ✓ Certainty in case of complaints
- ✓ Protection against excessive financial charges
